WHEREAS, the Board of Supervisors of Spring Township, Perry County, Pennsylvania, are desirous of creating a streetlight district for the purpose of providing for uniform assessments for street lighting purposes to the properties within the district.

SECTION 6: In the event any lots contained within the streetlight district are subdivided, boundary lines changed or otherwise, the new owners shall continue to be assessed as determined by their proportionate share of street frontage within the district.

SECTION 7: In the event any of the existing streetlights are removed, destroyed, damaged and are not replaced and the property being assessed is no longer provided the lighting utility service, the owners of said properties may petition the Board of Supervisors for relief from the property tax, which determination shall be at the sole discretion of the Spring Township Board of Supervisors.
